THIS POLICY SHOULD BE READ IN CONJUNCTION WITH THE CLUB'S DATA PROTECTION POLICY.

This policy sets out the use and management of the CCTV equipment and recordings in compliance with the General Data Protection Regulation (GDPR) and the Data Protection Act 2018 (DPA)

Introduction

Greenfield Cricket & Social Club (GCSC) is fully committed to the safety of its Staff, Members and Visitors and to this extent has invested in the security of its buildings and facilities. The purpose of this Policy is to regulate the management, operation, and use of the closed-circuit television (CCTV) system at GCSC

Common CCTV systems are based around digital technology and therefore need to be treated as information that will be processed under the Data Protection Act 1998. The person ultimately responsible for data protection within GCSC is the Safeguarding Officer in their capacity as Data Protection Officer (DPO). The system comprises a number of cameras located both internally and externally around the Club. All cameras may be monitored and are only available for use by approved members of staff.

The CCTV system is owned by the Club, The Club Secretary (in conjunction with the DPO) will have overall responsibility for managing, authorisation and monitoring the system, which will be subject to review on an annual basis.

Objectives of the CCTV System

The objectives of the CCTV system are: –

- To increase the personal safety of Staff, Members and Visitors and reduce the fear of physical abuse, intimidation, and crime.
- To support the police in a bid to deter and detect crime.
- To assist in identifying, apprehending, and prosecuting offenders on the Club.
- To protect members of the public and private property.
- To assist in the usage and management of the Club building on a day-to-day basis.
